

About Us

My name is Todd Bramblett and I am the owner of Diverse Handiworks. I am an independent handyman working, living and raising a family in Littleton, CO. I have 16 + years of experience in residential and commercial construction and maintenance. I am EPA certified in heating, ventilation and air conditioning. I conduct business with honesty and integrity. My experience has taught me to only commit to a job when I can provide quality work for a reasonable price. My goal is to build and maintain long-term relationships with my customers. I depend on "word of mouth" referrals.

I service the Denver metro area including but not limited to Littleton, Highlands Ranch, Englewood, Lakewood, Morrison, Ken Caryl Valley, Cherry Hills Village, Greenwood Village, Centennial and Roxborough.
